Dear Erik

Hope that this note finds you well and likely on your way out the door for the weekend. My purpose here is to ask if there has been any followup from the WDNR to Director Guerriero's 8/6/15 letter to Bureau Director Foss?

The Tribe continues to work with the Region 5 UST Program in developing a SOW for further investigation of the Tower Standard Site and is hopeful that on site work will begin shortly.

Let me know if you have time for a short call next week so we may catch up.

Take care and enjoy the weekend.

Richard
